TRINITY RESEARCH AND CONSULTING

Clauda Young, Ph.D., Founder and Principal

clauda@trinityresearchandconsulting.com

904-615-8080 (O) | 904-536-4250 (C)

COMPANY BACKGROUND: Trinity Research and Consulting is the culmination of 20-plus years of Dr. Clauda Laster Young’s experience and expertise in data collection, research, and data analysis. Understanding how data can powerfully describe and explain, she decided to build a company to help organizations develop innovative data-driven solutions to aid in meeting organizational goals. In consultation with a Ph.D. statistician and data scientist, Trinity also offers the latest analytical tools to boost output.
